

# HOW TO CREATE YOUR ORIGAMI TULIP

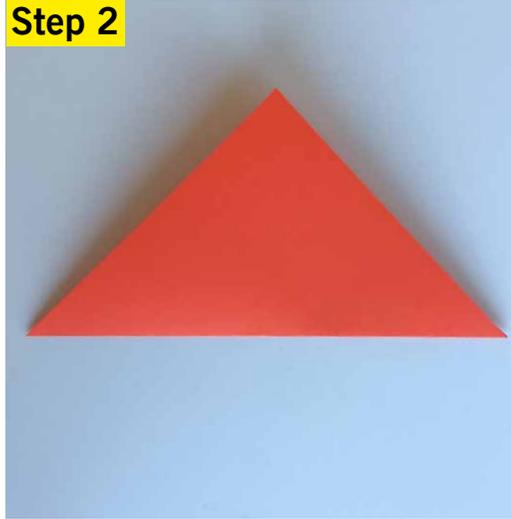

You will need a square piece of paper approx. 12cm x 12cm and ideally in a bright colour.

**Step 1**

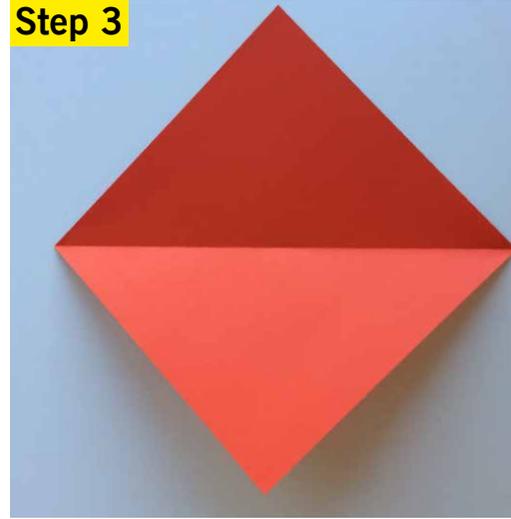

Write your memory on the paper.

**Step 2**

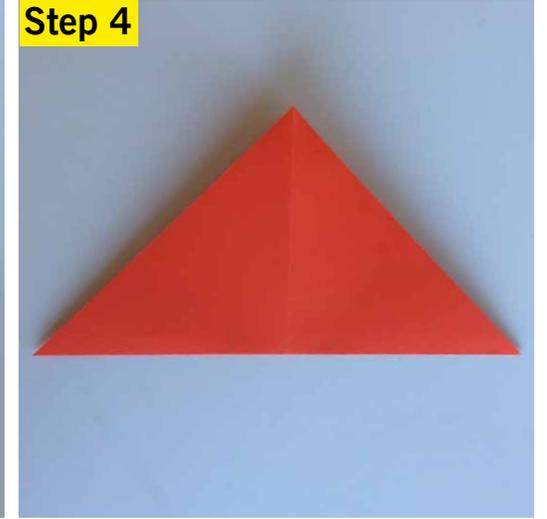

Fold the paper on the diagonal to make a triangle.

**Step 3**

Unfold the paper to a square again.

**Step 4**

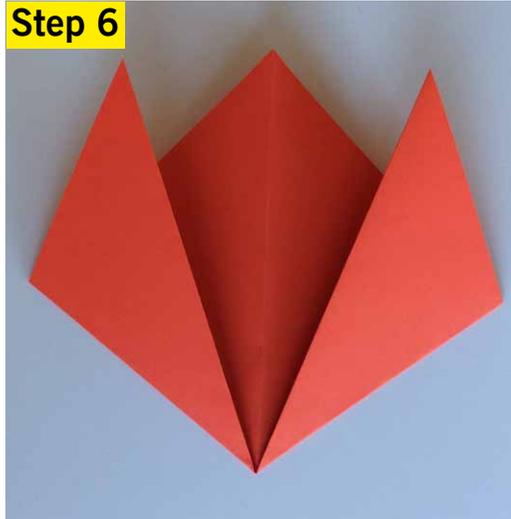

Fold the paper on the other diagonal to make a triangle, with a crease down the centre.

**Step 5**

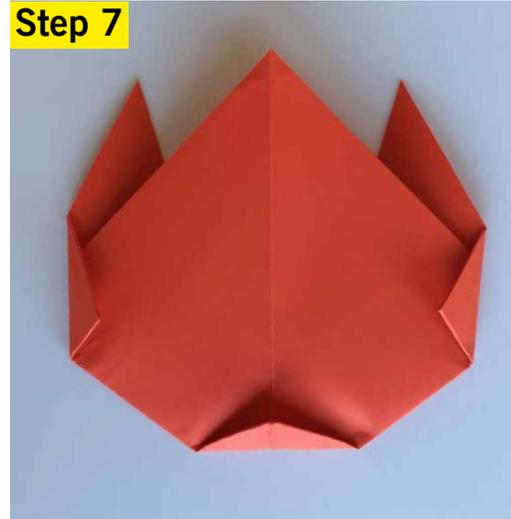

Bring the bottom right corner up and to the right of the centre point.

**Step 6**

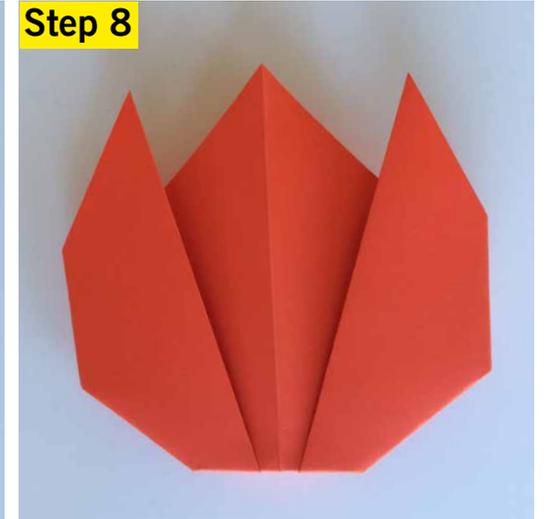

Repeat with the left corner, bringing it up and to the left of the centre point.

**Step 7**

Flip the paper over. Fold the side and bottom points in a little, to create a more rounded tulip shape.

**Step 8**

Flip the paper back over for your finished tulip.
