

**Lambeth Amnesty International
Embassy Crawl 2017
The BRAVE Campaign**

**DEFEND HUMAN
RIGHTS DEFENDERS**

**Saturday 23 September 11am
Start: Storey's Gate, SW1P 3AT**

We face a pattern of human rights activists, NGOs and other civil society groups being systemically targeted.

It would be a mistake to see this offensive as just local. There has been a world-wide marked increase in the killings of human rights defenders – and in particular environmental defenders – and also an increase in legislation specifically aimed to harass activists. In light of these escalating attacks Amnesty is stepping up its work with and for human rights defenders in a global campaign. Our Embassy Crawl is part of that campaign, the BRAVE campaign.

So, please take a stand and join us on 23 September to show countries around the world that we will not tolerate their persecution of human rights defenders.

We meet at Storey's Gate, which is close to the Chilean Embassy and behind the Queen Elizabeth Conference Centre. It's just 5 minutes or so from St James's Park and Westminster tube stations.

We will stop for lunch in Hyde Park, at the Lido Café Bar, but feel free to bring your own food if preferred. If possible, please wear black. Remember to check the weather and come prepared if it looks like rain!

Contact on the day:

By all means join us for just a few embassies if time is pressing. We hope to finish by 3pm but that is not guaranteed.
