

# FUNDRAISING UPDATE

October 2017

## STAND UP FOR REFUGEES WITH US

A huge thank you to everyone who has been in touch to register their fundraising event in support of the [I Welcome campaign](#). September marked the start of an international period of fundraising for this campaign. Right now, record numbers of people worldwide are fleeing violence and persecution. But instead of protecting refugees, governments are slamming their doors shut.

### This has to stop – and you can help

That's why we're asking you to take action by organising events to help raise funds and awareness. Together, we can keep up the pressure on governments to create legal routes so refugees can reach safety and enjoy their human right to live in dignity.

We've got fundraising materials for you to use at your event and we're here to provide support so your fundraising is a huge success.

**To order materials or talk about ways you can take action please contact, Jackie in the Community Fundraising Team on 020 7033 1651 or email [fundraise@amnesty.org.uk](mailto:fundraise@amnesty.org.uk)**

## SHARE YOUR STORIES AND IDEAS

**Are you a champion of the cake sale? Do you and your group have some fabulous fundraising tips to share?**

Has your school or youth group held a successful fundraising event or do you have a brilliant idea you'd like to share with other groups?

We'd love to hear your fundraising ideas and share updates from your events in the monthly fundraising update.

It's a great way to share ideas with other groups and your chance to talk about all the fabulous activities your group is working on.

Please send any stories and photos to [fundraise@amnesty.org.uk](mailto:fundraise@amnesty.org.uk) or call me on 020 7033 1651

## HOW YOU CAN HELP

**Raising £50 at an AmnesTEA** – could help fund one of our missions to refugee camps to speak with refugees and collect evidence of the conditions they face.

**Raising £100 through a sponsored walk** – could pay for materials to help lobby governments to provide safe and legal routes for refugees
