

# STUDENT GUIDE TO FUNDRAISING WITH AMNESTY HOW TO PLAN AN EVENT

Amnesty International works across the world to stop human rights abuses. The vast majority of our funds come directly from our supporters and fundraising activities, so it's no exaggeration to say we couldn't do our vital work without you. This guide will help plan your fundraising event for Amnesty.

Our student supporters are some of our most innovative and exciting fundraisers we have and university campuses are the perfect place to hold fundraising events. In recent years we've seen groups hold low-key bake sales, campus-wide stand-up comedy nights, sponsored 'jailbreaks' and live music nights.

Whatever you decide to do to raise money for Amnesty this guide will help you get started.

## STEP 1 PICK A FUNDRAISING IDEA

As a group, decide what type of event you want to organise. For ideas and inspiration take a look at our fundraising pages at www.amnesty.org.uk/organise-event, or email fundraise@amnesty.org.uk.

#### Six great ideas

- Music/comedy night
- Bake sale
- Fashion show
- Film night
- Sports tournament
- Pub quiz

# STEP 2 CHOOSE WHEN AND WHERE TO DO IT

Student Unions provide materials and resources – rooms, advertising materials, specialist equipment and a supply of students to attend your event. But off campus venues mean more flexibility with dates, although may require additional arrangements (eg hire fees, health and safety, security).

Contact us for free campaign materials – badges, stickers, posters, placards, balloons – to raise Amnesty's profile.

# STEP 3 ASSIGN ROLES TO YOUR GROUP

Before deciding on the roles for your event think: how many people can dedicate their time to planning and organising your event? What are their skills? How can they best contribute?

Larger events will likely need to have the following roles in place:

- Secretary/Chair: the mastermind and manager. Assigns and delegates tasks, records progress reports, arranges meetings, and writes minutes.
- Advertising and Publicity Officer: advertises the event, so needs to be familiar with website design, graphic design for logos, flyers, posters, email/social networks.
- Treasurer: responsible for calculating costs, recording expenses, tracking sales and evaluating overall profits/ losses.

### STEP 4 BUDGET

List expenses required to hold your event, eg invitations, space hire, food, entertainment. Clubs and student groups may have access to their own funds (eg from past events) or funds from student unions but additional funding can be required.

Potential sources of funding can include:

- Local businesses (should be ethical)
- Other students clubs and societies
- Small bake sales and other mini-fundraisers.

### WE'RE HERE TO HELP

Tell us what you're up to, and ask for advice and materials to help make your event a success. We have in-depth guides on how to plan specific events including: Jamnesty gigs, fashion shows, Secret Policeman's Balls and bake sales.
