

FIND OUT ABOUT HOSTING

If you're considering hosting refugees or asylum seekers in your home, first read this [this very useful guide to hosting](#) compiled by The Guardian.

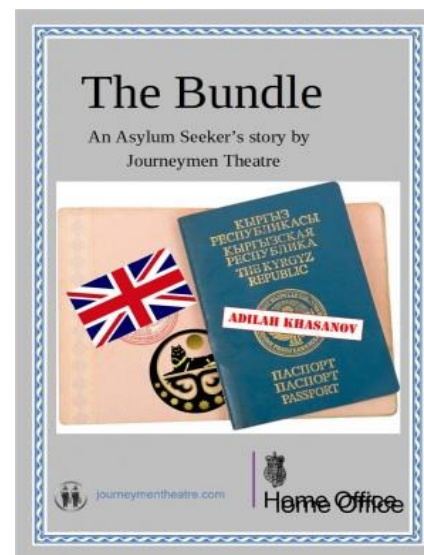

Organisations that can help you offer shelter to a refugee include [Refugees at Home](#), Positive Action in Housing's [Room for Refugees](#) scheme and the [NACCOM No Accommodation Network](#).

EDUCATE YOUR FRIENDS about the issues and challenges faced by refugees and asylum seekers and explore what you can do collectively to help – read the newspapers and listen to the National and local news.
