3 PEAKS CHALLENGE: LEENA VAN SURRELL

This Summer, Leena Van Surrell from Notting Hill and Ealing High School, is aiming to raise £1,000 by hiking The National Three Peaks. Leena will ascend more than 3000 metres as she climbs the three highest peaks of Scotland, England and Wales in 24 hours.

Leena says, *'I really wanted to fundraise for this charity as they protect the rights of those who can't and thus it is simply a privilege to try and help them achieve the goal of human rights for everyone.'*

YOUTH AND SCHOOL GROUPS FABULOUS FUNDRAISING IN 2017

Over the last 12 months, **148 groups have raised over £42,000!**

This is truly an incredible achievement and will go a long way to help us fight human rights abuses and bring about real change to people's lives.

BRAVE

Right now, people across the world are risking everything to speak out against injustice. Student leaders, political opponents, teachers, lawyers, journalists, women's rights & environmental activists and many others. But they're being harassed, tortured, jailed and even killed – just for daring to stand up for what's right.

That's why we've launched a campaign calling for Human Rights Defender's to be recognised, protected and able to operate in a safer environment. Find out more about the **BRAVE** campaign [here](#)
