

## CHILE – Solidarity action

### Rodrigo Mundaca and MODATIMA

This World Water Day (22<sup>nd</sup> March), take action in support of Rodrigo Mundaca and the Defence Movement of Earth, Environmental Protection and the Access to Water (MODATIMA) in Petorca Province, Chile.

**‘There are colleagues that don’t go out into the street because they’re afraid. All of those that have been on the front lines against water theft have suffered from these situations’**

#### **Rodrigo Mundaca**

In an arid region of central Chile, Rodrigo Mundaca defends community access to water and exposes its illegal extraction by politicians and businesses. A spokesman for MODATIMA, a non-governmental organisation that aims to protect people’s right to water, Rodrigo has received death threats, been physically attacked, and taken to court.

Between 2012 and 2015, the Chilean authorities initiated four criminal cases against Rodrigo for exposing illegal water extraction in Petorca Province. Other MODATIMA members have faced legal action, death threats, and attacks. Many are afraid to leave their houses.

Campaigning by activists like you around the world has already had an impact on Rodrigo’s situation. He and his colleague Verónica from MODATIMA were summoned to testify at a hearing on Thursday 25 January in a case that was opened following MODATIMA making a complaint about death threats. Rodrigo believes this new hearing was a result of Amnesty’s campaigning: before our efforts, the case was completely paralysed.

However, since Rodrigo and Verónica testified, there has been no news from the prosecution.

Rodrigo Mundaca and MODATIMA are one of 5 cases that Amnesty UK are campaigning with and for as part of our Brave campaign for Human Rights Defenders. Find out more about the campaign here: [www.amnesty.org.uk/brave](http://www.amnesty.org.uk/brave)
