

A poem against injustice

Amnesty Youth Group, The College of Richard Collyer, Horsham

Azza we stand with you
Azza we shall not let you be silenced
Against this barbaric, dehumanising, miscarriage of justice
Together we will continue to fight the medieval practise of FGM
with all people united
This villainous abuse of the rights of the human
Will not be tolerated any more
Because of the Draconian rule under which you have placed these women
Abdel Fattah el-Sisi, we condemn and oppose you.
