

## ENCOUNTER WITH FREEDOM

By Elsa Wiezell

Like an enormous wave  
that lies down over my heart.  
Like the stunning beauty of the wind over the pines.  
Like an immense, vital heartbeat.  
Like the moon and the river trapped by love.  
Like all the dreams in the space of the eyes.  
Like a fistful of infinite light.  
That is the way I love freedom!
