

## **POWER**

### ***Joe, King Edward VI Community College***

Power is not an object.  
Power; anyone can earn it,  
But how you use it is key.  
Great power comes with great responsibility  
It doesn't matter;  
Age  
Gender  
Colour  
Language  
Religion

A good leader doesn't always earn respect;  
That is won by listening - not just with ears but with soul.

We will never be drowsy  
As a community, we are stronger.  
Together.  
Not just adults earn power.
