New Deadline: Sunday 17th November

**Want to help Amnesty develop its work?
Want to meet other youth members?
Free to come to London on the 7th December 2019?
Apply to be on AIUK's Youth Advisory Group!**

What is the Youth Advisory Group?

Recruitment has now started for Amnesty International UK's 2019-20 Youth Advisory Group. Each year we recruit around 20 Amnesty youth group members to give us their views on our work at 5 meetings in London over the course of the year.

What happens at meetings?

Meetings are at Amnesty International UK's office in London and run from 10am to 3 or 4pm and are really informal. We basically just ask you for your opinions and ideas on all kinds of things such as our materials, fundraising and campaigns. Sometimes we split you up into smaller groups to discuss things or sometimes we all stay as one group. There are usually about 20 of you in total. We try to make sure the day is fun and active. At the end of the meeting we can take people back to the station if needed. We cover all your food and travel expenses.

I live far away. Can I come down the night before?

Yes. We want to make sure we have people from all over the UK. For those of you who have to come down the night before, we pick you up from the station if you want us to. We take you to your accommodation and we take you out for dinner too. We pay! At least two DBS (police) checked staff members also stay at the accommodation and we provide 24-hour contact phone numbers.

Who can apply?

No more than 2 members from each youth group will be accepted. We like to get a good spread of people from across the UK. This great opportunity is for enthusiastic and committed members of youth groups aged 14-18. We will also consider applications from people who aren't youth group members but who can demonstrate a passion for Amnesty and a commitment to joining the advisory group.

How much time will I have to give?

It is a **one-year** commitment and you are expected to attend **5 meetings** over the course of the year. We cover all transport costs and pay for accommodation if you need it. The meetings are always on Saturdays and the first one will be on the **7th December 2019**. Other meetings will be in **January, March, July and September 2020**. Meetings are at our offices, the Human Rights Action Centre, in London. In addition, you may be asked to give feedback by email, text or social media in between meetings. We ask that you to try your best to commit to all the meetings (if you miss two meetings we may have to review your membership of the group). This is so the group works at its best – we have to turn many applicants down so we ask that successful applicants are committed.

Do I have to know lots about Amnesty International?

You don't need to be an expert on Amnesty. Nor do you have had to be a member of a youth group for long. But we do need you to be committed, passionate about Amnesty and ready to contribute positively.

How do I apply?

Show your parents/guardians this document and if they support your application fill out the form overleaf and post or email it to us by the **end of the day on Sunday 17th November 2018**. Our contact details are below. Successful applicants will need to organise their travel arrangements soon after this date so be prepared! We will, of course, help with this. **The first meeting is on the 7th December 2019**.

Where do I send my application?

Please send your application to the **Community Organiser (Youth), Amnesty International UK, The Human Rights Action Centre, 17-25 New Inn Yard, London EC2A 3EA**, or email it to anne.montague@amnesty.org.uk

The new deadline is the end of the day on the 17th November.
