AMNESTY
International

Eren Keskin is a prominent human rights lawyer who has been repeatedly and frequently prosecuted and sometimes convicted under articles of the penal code unfairly limiting the right to freedom of expression.

She is currently at risk of imprisonment.

SEND AN APPEAL EMAIL:

Tell Minister of Justice Bekir Bozdağ that Eren must not be jailed for her human rights work, and to repeal laws that curtail freedom of expression.

Email: ozelkalem@adalet.gov.tr

Salutation: Dear Minister

In your email: Tell the minister that Eren must not be jailed for her human rights work. Let him know that if convicted under Article 301, Eren would be a prisoner of conscience.

Emphasise that Amnesty is an impartial movement campaigning against human rights violations around the world.
