2021 is the 60th anniversary of the founding of Amnesty International.

These are some of the events we have been involved
in: our apologies if we've missed off your favourite
event: this is just a few of the photos and posters we
have in the Group's archives!

So many fund-raising concerts, coffee mornings and
AmnesTeas, garden parties, street collections, public
meetings, letter-writing events, cards signed, photo
opportunities, actions for prisoners, demonstrations
attended, talks to schools...thank you for helping
support the Group and support the amazing work that
Amnesty has done over the last 60 years.

Kath, Group Chair
