

FUNDRAISING UPDATE

February 2022

We are delighted to have heard from a number of local groups over the past few months telling us that they are planning to restart regular events that have been cancelled the last two years because of Covid. Keep an eye on future mailings where we will showcase some of these events. Please also let us know if you have fundraising events coming up. We would be happy to provide free fundraising materials and help you promote them along with your group.

Contactless Donation Units Available

Recently a number of groups have been in touch to ask about use of contactless donation terminals at their fundraising events. We have card readers that can take payment directly to the Charitable Trust and are exploring sourcing readers that will allow you to take donations for the Section. For more info. and to borrow a card reader for one of your events, contact Richard Glynn using the details below

The contactless donation devices you can now borrow

Local Group Financial Return Form

Thank you to all groups who have already returned their financial return forms. These are important documents that help us learn how best to support local groups in raising money for Amnesty International UK and to fund their own activities.

For those that haven't, please do this when you can. You can request a hardcopy by contacting us using the details below or you can use one of the links below to access the form online.
