**Team:** Retail Team  
**Reports to:** Bookshop Team Leader

**Role type:** Volunteer  
**Hours:** 4 per week for at least 3 months

## Amnesty International UK (AIUK)

Our aim is simple: an end to human rights abuses. Independent, international, and influential, we campaign for justice, fairness, freedom and truth wherever they are denied. Already our network of over ten million people is making a difference in almost every country in the world. Whether we are applying pressure through powerful research or direct lobbying, mass demonstrations or online campaigning, we are all inspired by hope for a better world. One where human rights are enjoyed by all.

## Amnesty Bookshops

Amnesty Bookshops are second-hand bookshops which raise money for Amnesty's work. We strive to be an engaging and friendly part of each local community where we are based.

We receive amazing donations of books and records and aim to offer brilliant value to our customers. We widen our reach by selling online in several different places including Amazon and ABE books.

We are often looking for people to join the team and volunteering in our bookshops is a great way to support Amnesty and be involved in the exciting work that the bookshops do. Whether you have a deep love of books, want to learn new skills, are looking to give something back, want some work experience, want to meet new people... volunteering in our bookshops could be a fun and rewarding experience for you.
