PROXY VOTING FAQs

Who can appoint a proxy?

All members of Amnesty International United Kingdom Section (individual / family members, local / student / youth groups, and affiliated organisations) are entitled to appoint a person as a proxy to vote at the AGM on their behalf.

Who can I appoint as my proxy? How do I do it?

You can choose the AGM Chair, Board Chair or a person who is able to attend the meeting on your behalf as your proxy.

Can my proxy attend the AGM electronically by audiocast or attend in person?

Yes, your proxy may attend the meeting virtually via the video webcast or attend the meeting venue in person. Whether attending in person or virtually they will still be able to speak and vote on your behalf. You must share your unique meeting access codes with your proxy to enable them to participate in the meeting.

Can the AGM Chair or the Board Chair be instructed to vote on my behalf?

Yes, you may instruct either the AGM Chair or Board Chair to vote on your behalf. If you instruct the Board Chair to vote as they see fit, they will vote in accordance with the Board's view on the resolution.

Where can I find the proxy form?

The proxy form is contained within the Chair's letter sent to you by post or email (containing a link) on 16 May 2025. It will also be available to download from the AGM website from 16 May 2025 (www.amnesty.org.uk/annual-general-meeting).
