## **Trustees' Report**

### **1. Overview of our structure in relation to the worldwide Amnesty International movement**

Amnesty International is an unincorporated worldwide movement which has as its objective the securing throughout the world of the observance of the Universal Declaration of Human Rights.

The movement consists of independent entities (known as "sections") throughout the world and an International Secretariat in London which coordinates the worldwide movement and provides support for global governance structures. The International Secretariat consists of two companies – Amnesty International Limited and Amnesty International Charity Limited.

Amnesty International UK Section Charitable Trust ("Trust") is part of the worldwide Amnesty International movement. The name and logo are registered in the name of Amnesty International Limited and the UK Section has a licence to use the name and logo in the United Kingdom.

There are two main Amnesty legal entities in the United Kingdom:

**Amnesty International United Kingdom Section ("UK Section")** - a company limited by guarantee: a membership organisation whose policy and priorities are set, within the context of decisions of the International Council of Amnesty International, by the members at the Annual General Meeting. The UK Section pursues the objective of the movement in the United Kingdom by campaigning for observance, and opposing violations, of human rights.

**Amnesty International UK Section Charitable Trust ("Trust")** - a company limited by guarantee and a registered charity: meets its charitable objectives by funding Amnesty International Limited and other organisations to conduct worldwide research into the observance and abuses of human rights. The Trust is also registered in Scotland, where it raises funds and conducts some of its charitable activities.

### **2. Governance and management**

Amnesty International UK Section Charitable Trust is a registered charity and a company limited by guarantee and is governed by its Trustees (who are the Directors and Members). The Trust is considered to be independent of the Section, by virtue of the fact that although the Trustees are appointed by the Board of the UK Section, they cannot be removed by the Board and there is a majority of independent members, who are not Board members of Section.

To ensure our independence, we do not seek or accept money from governments or political parties for our work in documenting and campaigning against human rights abuses, only for our human rights education work. In no way do any monies received influence or affect our ability to campaign.

Trustees are appointed for a three-year term, and under the Articles of Association can serve for a maximum of two consecutive terms. They are then eligible for re-appointment after an interlude of one year. The Trustees meet at least four times each year.

**AMNESTY INTERNATIONAL UK SECTION  
CHARITABLE TRUST**  
**Trustees' report for the year ended 31 December 2015**

---

The Trustees are generally very familiar with human rights and the work of Amnesty International. Induction training is provided for new Trustees. All the Trustees give their time voluntarily and receive no benefits.

The Trustees are assisted in their work by a number of Subcommittees. A full list of members of the subcommittees can be found on our website <https://www.amnesty.org.uk/subcommittees>

The **Finance Sub-Committee** is a joint committee of the Trust and the Amnesty International United Kingdom Section. The Finance Sub-Committee deals with areas relating to risk, the effectiveness of internal controls, stewardship of assets, financial performance and other financial issues. The Finance Sub-Committee includes independent members who have specialist skills. It is chaired by the Treasurer.

The **Human Resources Sub-Committee (HRSC)** is also a joint committee of the Trust and the Amnesty International United Kingdom Section. It actively initiates, helps develop, monitors and evaluates strategic HR actions and policies that will enhance and embed our reputation as an employer, and enable us to recruit, develop, engage and retain the best staff, volunteers and Board members.

### **3. Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with the Companies Act 2006 and for being satisfied that the financial statements give a true and fair view. The Trustees are also responsible for preparing the financial statements in accordance with United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity for that period.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that show and explain the charity's transactions, disclose with reasonable accuracy at any time the financial position of the charity, and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Financial statements are published on the charity's website in accordance with legislation in the United Kingdom governing the preparation and dissemination of financial statements,

CHARITABLE TRUST**

which may vary from legislation in other jurisdictions. The Trustees' responsibility extends to the on-going integrity of the financial statements contained therein.

All of the current Trustees have taken all of the steps that they ought to have taken to make themselves aware of any information needed by the charity's auditors for the purposes of their audit and to establish that the auditors are aware of that information. The Trustees are not aware of any relevant audit information of which the auditors are unaware.

**4. Policy on pay for employees including senior staff**

The Trust operates a pay policy that as part of its offering, aims to attract and retain the best talent. We reward competitively within our sector and we ensure that all elements of pay are fair, transparent and easily understood by our employees. The Trust is an accredited Living Wage employer.

**5. Thank you**

The donors, supporters, volunteers and staff of the Trust are warmly thanked for their continuing commitment to the aims of the Trust and for their exceptional generosity.

## **Strategic Report**

### **1. Key objectives and statement of benefits**

All of the Trust's activities focus on delivering human rights benefit both to specific individuals and to the public in general. The Trustees believe that promoting general awareness of human rights, creating cultural support in favour of human rights, campaigning to prevent or end human rights abuses and encouraging supporters to take action, provides universal benefits.

In addition, a key objective of the Trust is to maximise the long-term funds available for grant making activities in support of such human rights benefits.

The Trustees have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing objectives and in planning future activities. In particular, the Trustees consider how planned activities will contribute to the objectives they have set.

The Trust's objectives and the activities that flow from them are aligned to those summarised in the Charity Commission's guidance publication RR12 – The Promotion of Human Rights.

### **2. Key activities**

The Trustees recognise the importance of the Amnesty International 'brand' in securing the Trust's income, mainly from contributions from individual supporters, whose donations are solicited on the basis of the impact they will have on Amnesty International's worldwide promotion of human rights.

The Trustees therefore allocate the significant majority of the resources available for charitable purposes to Amnesty's international research, as well as (in some years) activity carried out by Amnesty International United Kingdom Section ("UK Section"). All of these activities are in line with the Trust's charitable objectives.

Small grants may also be given to organisations whose work meets the Trust's charitable objectives and complements the work of the Trust in areas outside the Trust's capabilities.

### **3. Achievements and performance**

During the course of 2015, the Trust prioritised investing in securing new donors and supporters and funding international charitable work through our grant to the International Secretariat which funds projects throughout the world.

#### **a. Recruiting and Retaining Amnesty Supporters**

At the end of December 2015 the number of regular Trust givers was 58,344. In comparison at December 2014 we had 56,178 regular trust givers (of whom we retained 86%).

In 2015 the Acquisition team recruited 9,995 new regular Trust givers, below the target of 20,639. In 2016 we plan to maintain the 86% retention rate and recruit 15,940 new regular Trust givers. The forecasted number of regular Trust givers at the end of 2016 is 65,372.

#### **b. Global Research Projects**

The Trust part-funded around 200 research projects totalling £7.2m (2014: £8.9m) undertaken by the Amnesty International movement, under the terms of grant agreements

**AMNESTY INTERNATIONAL UK SECTION CHARITABLE TRUST**  
**Trustees' report for the year ended 31 December 2015**

supported by a formal Memorandum of Understanding. Trustees have initiated an assurance framework to ensure that our funding falls within the charitable objectives of the Trust. We funded global projects co-ordinated by Amnesty's International Secretariat covering a wide range of human right areas including:

- corporate accountability
- maternal health and sexual rights
- slums and forced eviction
- refugees and migrants
- arms control
- unlawful detention
- international justice
- criminal justice
- freedom of expression
- discrimination
- abuse against civilians in armed conflict
- crisis response

We also funded work undertaken by Amnesty offices in other countries and projects that help the Amnesty movement grow and develop a presence in more countries.

A full account of the work undertaken world-wide by Amnesty International can be found on: <http://www.amnesty.org/>

**4. Plans for future periods**

We have just agreed a new strategic plan for the period 2016 to 2020. The key elements of this are shown in the table below together with our plans for the year 2016. These are our plans for both Amnesty International UK Section Charitable Trust and the UK Section. The Trust will work on the elements of charitable activity within this plan. A detailed process is in place to identify and properly allocate those elements of the work we which we consider charitable in nature.

## 5. Financial review

The Trustees have adopted the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in 2015 in preparing the annual report and financial statements of the charity. The financial statements also comply with the charity's governing documents.

In applying the requirements of FRS102 and the Charities SORP, some changes in accounting policies and consequent restatement of prior year figures have been required. Details of these restatements can be found in note 20 of the financial statements.

The accounts show a surplus for the year of £1.6m which is £0.7m above the surplus achieved in 2014 of £0.9m. Income was £1.7m below last year, due mainly to a reduction in legacies from the record amount in 2014 of £5.2m to £3.1m.

Expenditure has decreased by £2.4m. There are two main reasons. Firstly, last year a grant was made to the Amnesty International United Kingdom Section for £1.4m. This year no such grant was made. Secondly, grants made to Amnesty International Limited (the international secretariat) reduced by £1.6m. This is because a payment in advance for 2016 had been assumed but was not actually made, after agreement with the International Secretariat.

Free reserves at 31 December 2015 were £1.6m, which is below the newly-agreed target range of £3.25m to £4.25m. This is addressed further in section 7 below.

Charity fundraising from individuals was under unprecedented levels of scrutiny during 2015. We ended the year having exceeded our targets, which was a major achievement, even though overall financial supporter numbers were slightly under last year. Expenditure on

**AMNESTY INTERNATIONAL UK SECTION CHARITABLE TRUST**  
**Trustees' report for the year ended 31 December 2015**

fundraising increased by £0.3m as we invest to grow supporter numbers and income in line with our strategic goals.

The bulk of our expenditure (74%) continues to support global research into human rights violations.

## **6. Risk and assurance**

Risk management is an integral part of the governance of the charity. We take care to understand and address key strategic risks in order to mitigate and manage their likelihood and impact. There are two levels to the risk and assurance process.

Firstly, our strategic risk approach is designed to identify key risks which could prevent the Trust from achieving its strategic objectives. It also identifies the assurance processes which are in place to manage and mitigate these risks and any outstanding actions around these assurance processes.

Secondly, we have an operational risk framework which links into the strategic risk framework and identifies a greater number of potential risks at a lower level.

The Trustees consider aspects of risk and assurance at each meeting and are supported in this by the work of the Finance Sub-Committee.

The major strategic risks for both UK Trust and Section, together with plans and strategies in managing these risks, are shown in the table below.

<b>Risk</b>	<b>Plans and strategies to manage risks</b>
<b>Strategy and Impact</b> – are we delivering the strategy and impact in order to meet our vision	<ul style="list-style-type: none"> <li>• We have a clear strategy for the period 2016 to 2020.</li> <li>• We report quarterly against strategic objectives and are developing a suite of Key Performance Indicators.</li> <li>• We report our impact through the “Annual Review” and “Our achievements” publications.</li> </ul>
<b>Financial sustainability</b> – are we delivering the strategy in a way that safeguards our financial sustainability	<ul style="list-style-type: none"> <li>• We have a fundraising strategy which supports the overall strategy.</li> <li>• We have reviewed the reserves policy which is now linked to risks and will be reviewed annually.</li> <li>• A more sustainable international funding framework has been agreed during 2015. This significantly improves our long-term financial sustainability.</li> </ul>
<b>Reputation</b> – are we delivering the strategy in a way which safeguards our reputation	<ul style="list-style-type: none"> <li>• We have a suite of policies designed to manage this risk including: donor acceptance, corporate donations, procurement, investment, data protection and social media.</li> <li>• We have an established crisis communications group with significant experience of effectively managing response to reputational risk.</li> <li>• We have an established on-call media team.</li> </ul>

**Trustees' report for the year ended 31 December 2015**

	<ul style="list-style-type: none"> <li>We have a Content Approval Process (CAP) to approve content of mass communications</li> </ul>
<p><b>Governance</b> – do our governance arrangements support our strategic delivery whilst ensuring that they are fit-for-purpose</p>	<ul style="list-style-type: none"> <li>International movement core standards reporting ensures our compliance with movement core standards.</li> <li>We have an on-going programme of work, of which some is complete (e.g. board member handbook, board self-assessment survey) to formalise operational and compliance aspects of both Section and Trust.</li> </ul>
<p><b>Statutory and Regulatory Compliance</b> – do we meet all compliance obligations relevant to the delivery of our strategy</p>	<ul style="list-style-type: none"> <li>We monitor and manage all compliance aspects relevant to the delivery of our strategy.</li> </ul>
<p><b>People</b> – are we acting as a responsible employer and are we exercising the right level of duty of care to the people who we work with and for</p>	<ul style="list-style-type: none"> <li>We work closely with staff and have a number of formal fora within which staffing issues are discussed.</li> <li>The Individuals at Risk and Human Rights Defenders strategy addresses informed consent as part of the strategy. We discuss risks with human rights defenders and the consent status of each case is recorded and reviewed regularly.</li> </ul>

Our risk management framework complies with recommended practice as outlined by the Charity Commission for England and Wales.

## 7. Reserves policy

As at 31 December 2015, unrestricted funds totalled £6.3m (2014 Restated: £4.7m). This comprises:

- £4.7m (2014: £2.9m) of designated funds, representing the net book value of fixed assets, which are not readily realisable and are hence excluded from free reserves.
- £1.6m (2014 Restated: £1.8m) of funds which represent free reserves.

A level of free reserves is necessary to ensure that the Trust's activities can continue on a day-to-day basis, and in particular, can continue in the event of a major unforeseen reduction of income or increase in expenditure. These reserves provide a contingency to enable the Trustees to take the necessary actions to bring income and expenditure into line.

The Trustees have adopted a reserves policy which is in line with recommendations of the Charity Commission. This policy is reviewed annually.

**AMNESTY INTERNATIONAL UK SECTION CHARITABLE TRUST**  
**Trustees' report for the year ended 31 December 2015**

---

The target range of free reserves is arrived at by considering the key strategic and operational risks facing the Trust, as well as the strategic plans and current financial position.

Taking into account these factors, the Trustees have determined that free reserves should be within the range of £3.25m to £4.25m, and this is reflected in the Trust's financial strategy.

At 31 December 2015, the level of free reserves was £1.6m. The Trust plans to bring reserves in line with the policy gradually over a period of up to 5 years by generating surpluses and managing costs tightly.

### **8. Investments policy**

In making any financial investment, the charity's policy requires consideration of:

- Minimisation of risk. No speculative investments shall be made
- Liquidity: Invested funds shall be kept liquid to allow them to be called upon as necessary
- Reputational Risks: No investment shall be made if the Trustees are aware that the investment vehicle may present a compromise (or a perception of one by its supporters) to the charity's commitment to human rights, and thus result in reputational risk.

## **1 Accounting Policies**

### **Basis of accounting**

The financial statements have been prepared under the historical cost convention as modified by the revaluation of investments. The report and financial statements have been prepared in accordance with the Statement of Recommended Practice, "Accounting and Reporting for Charities", published in 2015 (the 'Charities SORP'), the Companies Act 2006 and applicable accounting standards. In preparing the accounts, the Trustees have determined that in applying the requirements of FRS 102 and the Charities SORP, some changes in accounting policies and restatement of prior year figures have been required. Details of the changes can be found in note 20.

### **Income and expenditure**

- Income from appeals and charitable donations is accounted for when received
- Tax recoverable on Gift Aid income within this is accounted for on a receivable basis
- Interest income is accounted for on an accruals basis
- Both pecuniary and residuary legacies are accounted for when there is sufficient evidence as to entitlement, measurability and probability of receipt. Legacies with a life interest are recognised at the termination of the intervening trust and when legal title passes to the charity.
- Grant income is recognised when the conditions for receipt have been complied with
- Expenditure is charged to the Statement of Financial Activities on an accruals basis
- Expenditure with the main purpose of attracting new committed supporters is allocated between the cost of generating voluntary income (gaining financial supporters) and campaigning expenditure (gaining activists).
- Where other expenditure relates to more than one classification within the Statement of Financial Activities, it is attributed on the basis of staff time spent on the relevant activity
- Grant expenditure in furtherance of the charity's objects is recognised as expenditure when confirmation of an award is made to the receiving organisation
- Irrecoverable VAT is charged to the relevant expenditure account when it is incurred.

### **Fixed assets – freehold land and buildings**

Freehold buildings are included at cost and are depreciated over 50 years on a straight-line basis from the point at which they are brought into use. Freehold land is included at cost and is not depreciated.

### **Investments**

Investments are included at market value at the year-end. Gains and losses on revaluation of investments are included in the statement of financial activities.

### **Pensions**

Amnesty International UK Section Charitable Trust contributes to two pension schemes:

- A multi-employer scheme with The Pensions Trust. This is accounted for as a defined contribution scheme as there are no deficit recovery payments due from the employer.
- A defined contribution scheme with Scottish Widows.

Contributions are charged to the income and expenditure account in the year to which they relate. The pension schemes are independently administered and the assets of the schemes are held separately from Amnesty International UK Section Charitable Trust.

### **Reserves**

Reserves are distinguished between restricted, endowment and unrestricted funds. Income, expenditure, assets and liabilities for each classification of reserve are accounted for separately.

**AMNESTY INTERNATIONAL UK SECTION CHARITABLE TRUST**  
**Notes forming part of the financial statements for the year ended 31 December 2015**

**1 Accounting Policies - Continued**

**Holiday pay**

All employees of Trust and UK Section are contractually entitled to annual leave in-line with relevant legislation and organisational policies. The total untaken staff holiday entitlement at the financial year end is reviewed and a total financial cost is arrived at. This potential liability is accounted for within the financial accounting period in which the entitlement to annual leave had arisen.

**2 Taxation**

The Trust is a registered Charity within the meaning of paragraph 1 schedule 6 of the Finance Act 2010. Accordingly the Trust is potentially exempt from taxation in respect of income or capital gains within categories covered by chapter 3 part 11 of the Corporation Tax Act 2010 or section 256 of The Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes. No tax charge arose in the period.

**Designated reserve**

The designated reserve comprises funds invested in tangible fixed assets to enable the Trust to carry out its work effectively. As this reserve comprises fixed assets, it is not possible to utilise them elsewhere within the charity.

The movement between reserves represents the outstanding mortgage which is planned to be repaid in May 2016. The Trustees have elected to make this transfer in advance, to more accurately represent the true level of free reserves.

**Restricted reserve**

The restricted reserve represents grants received for restricted purposes (analysed below). Further details of restricted income and expenditure can be found in notes 4 and 7.

**20 Explanation of transition to FRS102 and the Charities SORP**

These financial statements for the year ended 31 December 2015 are the first financial statements of Amnesty International UK Section Charitable Trust that comply with FRS102 and the new Charities SORP.

In applying the requirements of FRS 102 and the Charities SORP, a change in the accounting treatment of governance costs, and a change in the accounting policy for legacy recognition, and consequent restatement of prior year figures is required.

The following notes to the financial statements describe the differences between reserves and income and expenditure presented previously, and the amounts as restated to comply with the accounting policies selected in accordance with FRS 102 and the new Charities SORP for the reporting period ended at 31 December 2014 (ie comparative information), as well as reserves presented in the opening balance sheet (ie at 1 January 2014). It also describes all the required changes in accounting policies made on first-time adoption of FRS 102.

**20a Change of Legacy Recognition Criteria**

As required by the Charities SORP, the criteria for recognising income has changed. Income must now be recognised when the likelihood of receipt is probable rather than certain. In applying this to legacy income, a new accounting policy has been created, resulting in earlier recognition in some

An amount of £594k previously recognised in 2014 is now recognised in 2013, resulting in an increase of brought forward reserves at 1 January 2014 of £594k. An amount of £397k was received in 2015 and is now recognised in 2014, resulting in an increase of brought forward reserves at 1 January 2015 of £397k. The net impact on the Statement of Financial Activities in 2014 is a reduction of net income of £197k.

**20b Reallocation of governance costs**

As required by the Charities SORP, governance costs are now no longer required to be disclosed on the face of the Statement of Financial Activities. They are now included as a support cost and reallocated to relevant other headings as shown in note 8.
