Motion for AGM: proposed by Kathleen Cox, seconded by Gill Cleave

“That Penzance Amnesty Group consider changing the monthly meeting night from a Friday to a Thursday evening as soon as a room becomes available at The Centre.”

The motion is a proposal to meet monthly on Thursdays, instead of Fridays, in order to improve our membership's attendance. There are fewer "competing" events on Thursday, and also, meeting on Thursday would allow those planning a weekend away to attend Amnesty's meetings. The group has already agreed that they wish to continue meeting at 'The Centre'.
