Dear: Lerby Curbisley

Hello! How are you doing today on God's green Earth?  
From across the salted pond as aminated as our bodies  
expressing the Earthly connection of our souls. Our lives  
are waves adrift, connected like the abyss of the oceans  
and seas.

I received a notice from the prison that your  
twelve cards were blocked and have to be returned  
for having stickers on two (2) of the cards. Your  
generous support did reach me in essence and if  
it's not too much trouble, please remove the sticker  
and re-mail them.

It is truly your letters of support that have given  
me the extra kick where my faith falls short. I have  
shared your cards and letters of support with my  
Mother, Father and family. To turn their despair  
and fear into hopes and smiles of reminders that  
we are not alone. The Missouri Supreme Court should  
be making a decision between now and February 2014.  
I look forward to receiving your cards again and  
passing them on to share the love and concern.

Thank You!!
