### **RECENT MEETINGS**

#### **March 2012 - Towards an International Arms Trade Treaty**

Oliver Sprague, AIUK's programme director for arms control, gave a passionate talk about the history of Amnesty's campaigning for an arms trade treaty and explained to us the 4 week negotiating conference that is taking place in July this year to finalise the international treaty. He explained that Amnesty will be campaigning to ensure that the treaty is comprehensive, protective of human rights, protective of the victim, includes strong enforcement mechanisms, and will be applied quickly. He noted that once the treaty has been agreed the next step will be to campaign for its ratification. Much of the campaigning is likely to be directed towards our MPs and there is likely to be some rapid response campaigning required in July.

## AZERBAIJAN - YOUTH ACTIVISTS BEATEN, RISK POLICE TORTURE

Three youth activists have been beaten in police custody, and are at risk of torture. They were arrested while performing at a peaceful protest in the capital, Baku, after one of them swore about the President's family. They are now detained incommunicado. Letters to be sent by 1<sup>st</sup> May 2012.

Your Excellency,

**Antonio Michel Lima Cruz and Marcos Máiquel Lima Cruz**

I am writing to you as I am very concerned about the two brothers, Antonio Michel Lima Cruz and Marcos Máiquel Lima Cruz, who have been sentenced to two and three years' imprisonment after a Christmas celebration at their home in Holguín. I believe they have been detained solely for peacefully exercising their right to freedom of expression, and am therefore calling on the authorities to release them immediately and unconditionally, as they are prisoners of conscience.

I would also urge the authorities to remove unlawful restrictions on freedoms of expression, association and assembly in Cuba.

Yours truly,

## LETTER FROM SEAN RE: THE GROUP'S PoC – Filep Karma

Dear All,

### Help me to get 30 MPs to lobby William Hague for Filep Karma

I'm trying to get a target group of 30 MPs to write to the Foreign Secretary about the imprisonment of Filep Karma.

The pretext is the recent UN Working Group on Arbitrary Detention Opinion (attached) which declares his imprisonment is in violation of International Law. Some of you have already written to our local MPs about it.

My partner Louise and I have identified 19 MPs in constituencies in which friends live, and those friends have agreed to help. But we have run out of friends...and need your help.

Can you think of anyone who would send a letter like the attached, to their MP (I will update it a bit with the latest news)?

All we need from you is a name and where they live (postcode best) - I will find out their MP, prepare the letter and forward it to you, so all they have to do is print it out, sign it and send it off - or personalize it as they see fit of course.

Easy?

These are the MPs I have contacts for already, so try to get some new ones:

1. John Howell ( Henley )
2. Rushanara Ali (Bethnal Green and Bow)
3. Ed Vaizey (Wantage & Didcot)
4. Caroline Lucas ( Brighton Pavilion)
5. Richard Harrington ( Watford )
6. David Lidington (Aylesbury)
7. John Bercow (Buckingham)
8. John Denham (Southampton Itchen)
9. John Redwood (Wokingham)
10. Nick Herbert (Arundel & South Downs)
11. Rob Wilson (Reading East)
12. George Eustice (Camborne, Redruth & Hayle)
13. Norman Baker (Lewes)
14. Vince Cable (Twickenham)
15. Jeremy Hunt (SW Surrey)
16. Sarah Newton ( Truro & Falmouth )
17. Andrew Smith ( Oxford East)
18. Alok Sharma (Reading West)
19. Alan Campbell ( Tynemouth )

If we get more than 30 in total, I will bring a bottle of Cava to the next Amnesty meeting to celebrate. Virtue may be its own reward, but a glass of Cava helps.

Sean

PS if you need reminding about Filep's dire situation, here are the details from AIUK website:

[http://action.amnesty.org.uk/ea-campaign/action.retrievestaticpage.do?ea\\_static\\_page\\_id=1048](http://action.amnesty.org.uk/ea-campaign/action.retrievestaticpage.do?ea_static_page_id=1048)

As usual for this page, they are way out of date. The most recent developments are Filep's deteriorating health:

<http://westpapuamedia.info/2012/03/06/filep-karma-undergoing-medical-care-at-hospital-dok-ii/>

the UN Working Group Opinion of course, and the question asked in the House of Lords on 12 March by Lord Harries:
