GUANTÁNAMO JUMPSUIT

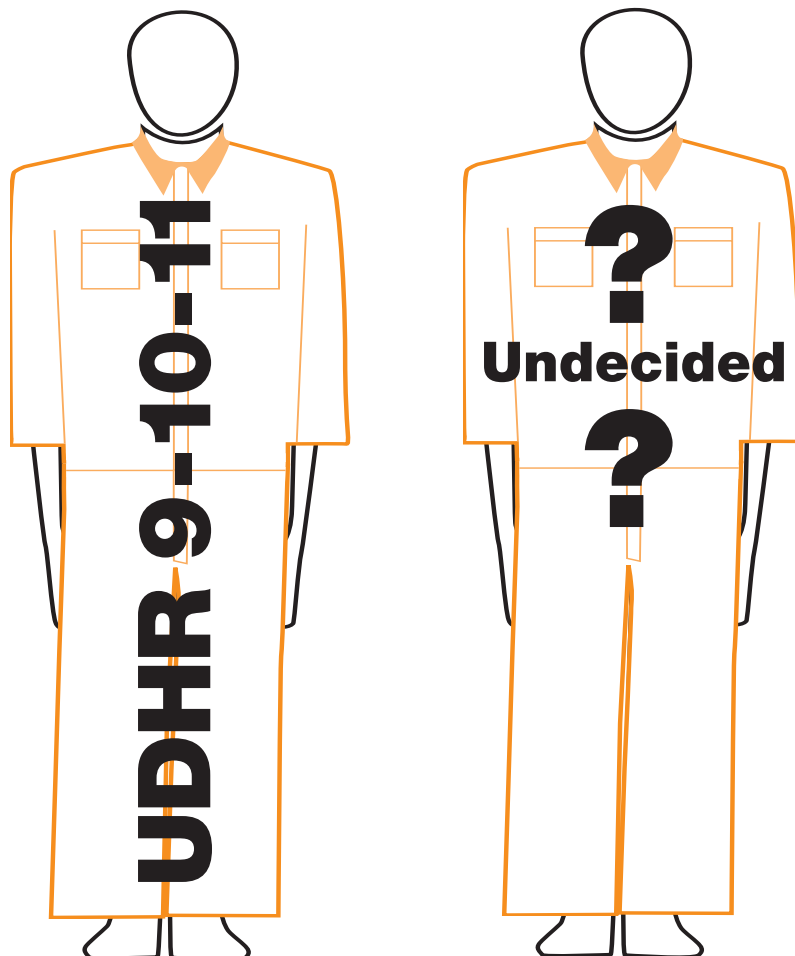

Send your message to Amnesty using this action sheet, which has an image of an orange jumpsuit like the ones worn by detainees in Guantánamo Bay.

- 1) **If you think Guantánamo should be closed and detainees charged and given a fair trial:** decorate your jumpsuited figure with **'UDHR 9-10-11'** – these are the Universal Declaration of Human Rights articles that guarantee everyone's right to a fair trial. Get creative and cut out and personalise your figure, you might want to include words from the UDHR that you find powerful (see UDHR sheet in this pack for reference).
- 2) **If you think Guantánamo should not be closed or are undecided:** Write your reasons on the figure and decorate it however you wish.

Please add your name and school.

Please post your figures (separating for and against if possible) to:
 Education and Student Team
 Amnesty International UK
 The Human Rights Action Centre
 New Inn Yard
 17-25 New Inn Yard
 London EC2A 3EA

The figures and messages will be displayed on our website www.amnesty.org.uk/humanrightsinfocus, so go online to see what other young people across the UK thought.
