

WE WANT A **BULLETPROOF** ARMS TRADE TREATY

Millions of people are killed, injured, raped, repressed and forced to flee their homes every year as a result of the irresponsible and poorly regulated arms trade.

Health, education and other services are being denied and livelihoods destroyed. The world needs a strong Arms Trade Treaty that will prevent arms transfers if they are likely to contribute directly to serious human rights abuses or poverty. The Treaty must cover all conventional arms, including ammunition.

I call on the UK government to commit to setting up an Arms Trade Treaty that effectively prevents arms from fuelling such atrocities and abuses.
