REFUGEE WEEK

INTRODUCTION

Amnesty International UK is a partner organisation in Refugee Week 2014. On the Refugee Week website (<http://www.refugeeweek.org.uk/>) you will find 24 Simple Acts that students can take. They range from cooking a dish from another country to taking a quiz on refugees or inviting a refugee for tea. There is also a toolkit for ideas about using the Simple Acts in schools. <http://www.simpleacts.org.uk/>.

Encourage students and teacher to visit the website and do at least one simple act to make the world a better, fairer place.
