

SIMPLE ACTS

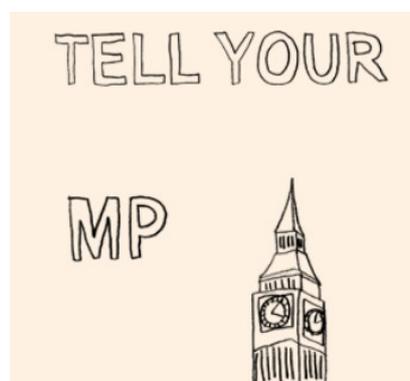

Refugee Week 2014 is dedicated to refugee children and young people: our shared future.

We want to highlight the positive contributions that refugee children make to the UK and will go on to make as our future generations.

This year Refugee Week runs between 16th-22nd June. You can show your support by completing your "**Simple Act of Welcome**" in the run up to or during the Week. Keep us in touch – if you are using social media to share your fine work don't forget to use hash-tags: **#RefugeeWeek**.

How can I get involved?
