

# STOP UGANDA'S ANTI-GAY BILL

It's already a crime to be gay in Uganda, but a new law would increase the punishment from 7 years in jail to a lifetime behind bars.

The President of Uganda can still veto the Bill, but he must do so in the next few days.

Sign our letter to President Museveni. Help us stop state-sanctioned homophobia.

**TEXT VETO3

To sign our urgent letter asking him to veto.
