***The Cost of Exposing the Truth:  
The case of PVT Manning***

Three years after her initial detention - described by a UN special rapporteur on torture as "cruel, inhuman and degrading" - former Army intelligence analyst Chelsea Manning has been sentenced to 35 years in prison for leaking information that exposed human rights abuses and war crimes.

Come along and find out more about the human rights abuses exposed by Private Manning, the global repercussions of the information that she leaked and why we should all be taking action to support her.
